

OAAAA Officers Meeting February 17, 2019

Members Present: Jarrod Patterson, Angela King, Robin Lang, Karen Moore

Meeting was called to order at 11:16 by Jarrod Patterson

Opening prayer by Jarrod Patterson

Review of minutes.

- Updates
 - Committee list was distributed
- Alumni Luncheon
 - BoD decided to use Mangos as the caterer for the Alumni Luncheon.
 - Quality of food
 - We discussed having the luncheon in the gymnasium and some of the cost would include laying tarp, renting circular tables and tarp tape.
- Fundraising
 - The Buy-a-Brick Campaign will be revamped but will happen at a later date. The principal wants to combine a fountain with the bricks.
 - The new school will have two science labs that need to be furnished which will cost around 50,000 each. One will be a STEM lab and the other a regular science lab. We would like to provide funds for one lab or either for general technology in the school building.
 - The goal for the completion of the school is spring of 2020.
-
- Alumni Weekend
 - Some of the suggested speakers for Alumni Weekend include Ben Jones, Austin Humphrey, Eric Peters, Wesley Knight and Carlton Byrd. It was suggested that we combined with BOL and have an afternoon concert.
 - A list of the award recipient requirements will be sent.
 - Alumni Weekend Needs
 - This year for Alumni Weekend we will have a step and repeat banner for picture taking.
 - We will have Alumni t-shirts made to wear during different events. Also a pin made with the school seal for the alumni.
 - The class of 1959 will be celebrated this year.

- It was suggested that officers serve two 3 year terms instead of three 2 year terms.

Meeting was Adjourned at 1:55 pm.
